**NOTE:**

The following varieties of sweet cherries are self fertile:  
 Black Tartarian, Carmine Jewel, Glacier, Juliette, Lapins,  
 Morello, Romeo, Stella, and Sweetheart.

Tart and pie (sour) cherries are self fertile. These include the following varieties:  
 Evans, Montmorency, and North Star

**DIRECTIONS for USE:**

1. Select a cultivar you are interested in growing from the left hand column.
2. Check across the chart; the unmarked boxes will be a reliable pollinizer for the cultivar you have chosen.
