North Star	X	X	X	X	X	X	X	X	X	X	X	X	X	X					

**NOTE:**

These varieties of sweet cherries are self fertile: Glacier, Lapins, Morello, Stella, Sweetheart and Tehranivee. Tart and pie (sour) cherries are self fertile. These include: Evans, Montmorency, Morello and Surefire. Dwarf bush cherry varieties: Carmine Jewel, Crimson Jewel, Crimson Passion, Juliet and Romeo are sour cherries that are bred to be sweet. These varieties are pollinators as well as self-fertile.

**DIRECTIONS for USE:**

1. From the left-hand column select a cultivar you are interested in growing.
2. Check across the chart; the unmarked boxes will be a reliable pollinizer for the cultivar you have chosen.
